

Fundamentals Training

Two-day Training in Aachen, Germany

Language: English

Time: 09:00 – 17:00

The Fundamentals Training builds the first Level of our training program. It is a combination of theory and practice. The certified completion of this training is a pre-requisite for attending further IRIS Trainings.

Purpose The IRISXtract™ Fundamentals Training introduces the participants to the structure and processing of the software platform IRISXtract™ for Documents. The training includes the installation and configuration of the X4D system and provides the attendees with comprehensive knowledge of the system's administration.

After the training the participants should be able to:

- understand the different domains and system requirements
- setup users and groups (Domain and WOM)
- install the X4D Server, X4D Client, X4D applications and the WEB Verify
- know what IRISXtract™ for Documents stands for
- administrate and configurate the software platform

Target Audience Partners of I.R.I.S. Everyone new to IRISXtract™ for Documents. Technical professionals, IT Professionals, Technical Project Managers, Technical Consultants and Developers.

Pre-requisites Basic knowledge of Microsoft OS and technical IT experience. Generally familiar with the compatible operating systems, SQL databases.

Location I.R.I.S. AG
Heussstrasse 23,
DE - 52078 Aachen
