

# System Installation Training

1-Day Training in Aachen, Germany

Language: English

Time: 09:00 – 17:00

**Purpose:** The **System Installation** training is a complete walkthrough of the installation and configuration of an IRISXtract™ for Documents system and guides you through both the common and uncommon steps of an installation. After the training you should be able to: know the different domains and system requirements; setup users and groups (Domain and WOM); install the X4D Server, X4D Client, X4D applications and the WEB Verify.

**Target Audience:** New and certified Partners of I.R.I.S. Everyone who wants to know, how to install an IRISXtract™ for Documents system step by step.

**Pre-requisites:** Basic knowledge of Microsoft OS and technical IT experience. Appropriate knowledge of IRISXtract™ for Documents. Generally familiar with the compatible operating systems, SQL databases and in case of developing environments with Microsoft Visual Studio. Have permission in accessing and adjusting the active directory in which the X4D system is to be integrated. System Administration training is recommended but not required.

**Location:** I.R.I.S. AG  
Heussstrasse 23, 52078 Aachen, Germany

**Dates:** Please consult the [Training schedule](#)

**Price:** € 500.- per person per day

**N° of attendees** Minimum: 3 participants  
Maximum: 6 participants

**Registration:** [Training-DE@iriscompany.com](mailto:Training-DE@iriscompany.com)

All employees from Canon enrol via:
