IRIS Powerscan™ 10 Training

2-Day Training **on request** in Belgium or Aachen

Language: English

Time: 09:00 – 17:00

Purpose: The IRIS Powerscan™ 10 training teaches the use of how to capture, structure, classify, index, validate and export documents with IRIS Powerscan™ 10. It guides you through all the steps of a project configuration by setting up a project from scratch with the Designer.

Target Audience: New and certified Partners of I.R.I.S.

Pre-requisites: Basic knowledge of Microsoft OS and technical IT experience.

Location: I.R.I.S. AG
Heussstrasse 23
52078 Aachen
Germany
or
I.R.I.S. GROUP
Rue du Bosquet, 17
1348 Louvain-la-Neuve
Belgium

Dates: Please contact us via:
Training-DE@iriscorporate.com

Price: € 400.- per person per day • maximum number of participants: 6

Registration Please contact us via:
