

# Solution Package Orders Training

One-day Training in Aachen, Germany

Language: English

Time: 09:00 – 17:00

The Solution Package Orders (SP ORD) is a Training from Level 2 and combines theory and practice. The certified completion of this training is a pre-requisite for attending the Level 3 Training.

**Purpose** The IRISXtract™ Solution Package Orders Training demonstrates a project setup, different features and how you can configure a solution in its own environment. The solution can process international orders in any language.

After the training the participants should be able to:

- understand how a project is set up and what solution configurations can be made
- know the different features of SP ORD
- configure a solution in its own environment

**Target Audience** Partners of I.R.I.S. Everyone new to IRISXtract™ for Documents. Technical Professionals, IT Professionals, Technical Project Managers, Technical Consultants and Developers.

**Pre-requisites** Basic knowledge of Microsoft OS and technical IT experience. Generally familiar with the compatible operating systems, SQL databases.

**Location** I.R.I.S. AG  
Heussstrasse 23,  
DE - 52078 Aachen

**Dates** Please consult the [Training schedule](#)

**Price** € 500.- per person per day

**Nr. of attendees** Minimum: 3  
Maximum: 6

**Registration** [Training-DE@iriscompany.com](mailto:Training-DE@iriscompany.com)  
All employees from Canon enroll via:  
<https://canon-europe.csod.com/client/canon-europe/default2.aspx#>
