

Scripting Training

2-Day Training in Aachen, Germany

Language: English

Time: 09:00 – 17:00

- Purpose:** The **Scripting** training is based on VB.NET and demonstrates which options are available to individually customize the IRISXtract™ for Documents platform by scripting using VB.NET. Thereby the integrated development environment Visual Studio is briefly explained. The training gives answers to the following questions: When and in which case is scripting applied? What does the document model and scripting in the IRISXtract™ for Documents system look like? When is it activated and how are scripts designed and tested?
- Target Audience:** New and certified Partners of I.R.I.S. Everyone who is interested in learning about the customization of the IRISXtract™ for Documents platform.
- Pre-requisites:** For new or uncertified partners: training certificates from Level 1 and Level 2
For certified Partners: at least a certificate from Level 2
- Location:** I.R.I.S. AG
Heussstrasse 23, 52078 Aachen, Germany
- Dates:** Please consult the [Training schedule](#)
- Price:** € 500.- per person per day
- N° of attendees** Minimum: 3 participants
Maximum: 6 participants
- Registration:** Training-DE@iriscompany.com
- All employees from Canon enrol via:
